

ENERGY AND POOL SERVICES PRICE FACT SHEET

POOLED ENERGY - Market Offer Retail Contract Rates to Swimming Pool Owners and Operators

Pooled Energy Small Business Market Offer

Ausgrid DISTRIBUTION ZONE

The Energy Made Easy codes listed below relates to each offer which Pooled Energy provides to customers. This code may be used when looking at the relevant offer on the Energy Made Easy website at www.energymadeeasy.gov.au

Pooled Energy provides a bundle of Electricity and high-technology Pool Services designed to improve energy efficiency through pool automation. The Services must be taken as a bundle for the entire premises including pool. Neither electricity nor pool services are sold separately to new customers. Services are delivered using high-technology automation and equipment upgrades installed at the customer's site for the duration of the contract. When comparing rates, please note that the Pooled Energy technology should reduce your energy usage and therefore your running costs using our reference pool as the All customer offers are subject to written approval by Pooled Energy following a site visit to assess technical viability.

Customer Type	Offer Type	Distributor	Electricity Tariff Type	Offer Type	Release Date
